**AMENDMENT OF FY 98 LOGISTICAL SUPPORT EFFORT (LSE)**

Dear Mr. MacLeod:

This is to amend your LSE to the DOE's Marshall Island program by including the following activity:

Arrange travel, per diem, and associated support to the following individuals who are participating in the DOE's Medical Program Evaluation & Review Process, held by the National Institutes of Health (NIH) in Washington, DC, on April 23-24, 1998.

Dr. Stevenson Kuartci, M.D., of Koror, Republic of Palau  
Mr. Donald Capelle, Secretary of Health & Environment, RMIG, Majuro, Marshall Islands  
Dr. Alan Talens, Director, Community Health Center, Ebeye, Kwajalein Atoll, RMI  
Senator Johnsay Riklon, c/o Rongelap Local Government, Majuro, RMI  
Mayor Joe Saul, Utrik Council Office, Majuro, RMI

These individuals should be booked for arrival in Washington by April 21, 1998, and for departure on no later than April 25, 1998. All are to be accommodated at the Embassy Suites Hotel, Chevy Chase, from the nights of 4/21 through 4/24, at the rate of \$175.00 per person, per night. You are authorized, in view of the rate, to pay the daily room cost not to exceed 150% of allowable room rates for the area, per Federal regulations. Please make direct payment to the hotel, which has agreed to honor our Tax Exempt Certificate for the travelers rooms, making clear to the hotel's officials that the individual travelers are directly responsible for any costs above the daily room rate.

Please keep Dr. Paul Strudler of the NIH [tel. (301) 435-1716] informed of your arrangements for the travellers.
